Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

CONTACT: Mary Byrd, 805-961-8833

SUBJECT: APCD Representation at Santa Barbara County Education Office Grant Recognition Celebration

RECOMMENDATION:

Designate one Board member or the Air Pollution Control Officer or his designee to attend the Santa Barbara County Education Office Grant Recognition Celebration on February 28, 2008.

DISCUSSION:

The Air Pollution Control District participates in the Teachers Network of Santa Barbara County Project Grant Program. Each year the APCD offers up to four \$500 grants to teachers. Grants provided by the APCD, awarded through the County Education Office, are to develop curricula incorporating lessons on our atmosphere, air pollution, and global climate change. The projects are published in a catalog for use by all teachers in Santa Barbara County.

A Grant Recognition Dinner is scheduled for Thursday, February 28, 2008, in Buellton. In the past the Board has designated a representative to attend the recognition dinner to congratulate award recipients.
