Board Agenda Item

TO: Air Pollution Control District Board

FROM: Dave Van Mullem, Air Pollution Control Officer

SUBJECT: Resolutions of Appreciation for Janice Kettler and Bob Thornburg

RECOMMENDATION:

Adopt and present Resolutions of Appreciation to Bob Thornburg and Janice Kettler upon the occasion of their retirement.

DISCUSSION:

Bob Thornburg has retired from the Santa Barbara County Air Pollution Control District after 24 years of service. Janice Kettler has retired from the Santa Barbara County Air Pollution Control District after 23 years of service. As their long standing service at the District shows, both Bob and Janice played an integral role in helping to improve Santa Barbara County's air quality. They will be greatly missed by us all.

We thank Bob and Janice for their service and wish them well in their retirement!
