Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

SUBJECT: Grant Agreement Approved by Air Pollution Control Officer

RECOMMENDATION:

Receive and file the attached brief summary of the emission-reduction grant agreement approved by the Air Pollution Control Officer for the period of October 7, 2004 to December 1, 2004 in accordance with Board Resolution Number 02-16.

DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$100,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheet describes the one grant approved since our last report.

Grant – Lower Emission School Bus Program – Particulate Matter (PM)

Dated 11/30/04: Student Transportation of America (Goleta, Santa Maria, and Santa Ynez) - \$38,464
