Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

SUBJECT: Grant Agreements Approved by Air Pollution Control Officer

RECOMMENDATION:

Receive and file the attached brief summaries of the emission-reduction grant agreements approved by the Air Pollution Control Officer for the period of October 6, 2005 through November 30, 2005 in accordance with Board Resolution Number 02-16.

DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$100,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheets describe the two grants approved since our last report.

Attachment

Grant – Off-Road Diesel Repower Program –
