FROM: Aeron Arlin Genet, Air Pollution Control Officer

CONTACT: Sara Hunt, Executive Assistant/Board Clerk (961-8853)

SUBJECT: Minutes of the October 2015 South Central Coast BCC Meeting

RECOMMENDATION:

Receive and file the attached minutes from the October 21, 2015 meeting of the South Central Coast Basinwide Control Council (BCC).

DISCUSSION:

The Health and Safety Code (Section 40900) requires that each air basin, which is comprised of two or more air pollution control districts, establish a basinwide air pollution control council. This council is intended to promote coordination of air pollution control efforts throughout the air basin. The council receives reports on rule development and planning efforts, the anticipated effect of state and federal actions, and other issues of interest.

The South Central Coast BCC meets quarterly and consists of one Board Member, appointed by the Air Pollution Control Board, from each of the following Districts: San Luis Obispo County, Santa Barbara County and Ventura County. As you may recall, Janet Wolf was appointed by your Board to represent Santa Barbara County on this Council in 2015.

The attached minutes summarize the October 2015 South Central Coast Basinwide Control Council meeting. We provide such minutes to your Board after their approval.
