Board Agenda Item

TO: Air Pollution Control District Board

FROM: Aeron Arlin Genet, Air Pollution Control Officer

CONTACT: Sara Hunt, Executive Assistant/Board Clerk (961-8853)

SUBJECT: District Grant Program Activity

RECOMMENDATION:

Receive and file a summary of the emission-reduction grant agreements approved by the Air Pollution Control Officer for the period of May 6, 2016 through June 1, 2016 in accordance with Board Resolution Number 09-14, including:

- A) Fresh Venture Farms – Off-Road Equipment Replacement Program; and
- B) Lompoc Unified School District – School Bus Replacement and Retrofit Program.

DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$150,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheets describe the grants approved since our last report. In addition, an updated grant fund allocation report for the District's Old Car Buy Back Program is being provided.
