STANDARD INDEMNIFICATION AND INSURANCE PROVISIONS

INDEMNIFICATION

CONTRACTOR shall defend, indemnify and save harmless DISTRICT and the County of Santa Barbara (COUNTY), their officers, agents and employees from any and all claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities arising out of this Contract or occasioned by the performance or attempted performance of the provisions hereof; including, but not limited to, any act or omission to act on the part of the CONTRACTOR or his agents or employees or other independent contractors directly responsible to him; except those claims, demands, damages, costs, expenses (including attorney's fees), judgments or liabilities resulting from the sole negligence or willful misconduct of the DISTRICT.

CONTRACTOR shall notify DISTRICT immediately in the event of any accident or injury arising out of or in connection with this Contract.

INSURANCE

Without limiting the CONTRACTOR's indemnification of DISTRICT and the COUNTY, CONTRACTOR shall procure the following required insurance coverages at its sole cost and expense. All insurance coverages are to be placed with insurers which (1) have a Best's rating of no less than A: VII, and (2) are admitted insurance companies in the State of California. All other insurers require the prior approval of DISTRICT. Such insurance coverage shall be maintained during the term of this Contract. Failure to comply with the insurance requirements shall place CONTRACTOR in default. Upon request by DISTRICT, CONTRACTOR shall provide a certified copy of any insurance policy to DISTRICT within ten (10) working days.

1. Workers' Compensation Insurance: Statutory Workers' Compensation and Employers Liability Insurance shall cover all CONTRACTOR's staff while performing any work incidental to the performance of this Contract. The policy shall provide that no cancellation, or expiration or reduction of coverage shall be effective or occur until at least thirty (30) days after receipt of such notice by DISTRICT. In the event CONTRACTOR is self-insured, it shall furnish to DISTRICT a copy of Certificate of Consent to Self-Insure issued by the Department of Industrial Relations for the State of California. This provision does not apply if CONTRACTOR has no employees as defined in Labor Code Section 3350 et seq. during the entire period of this Contract and CONTRACTOR submits a written statement to DISTRICT stating that fact.
2. General and Automobile Liability Insurance: The general liability insurance shall include bodily injury, property damage and personal injury liability coverage, shall afford coverage for all premises, operations, products and completed operations of CONTRACTOR and shall include contractual liability coverage sufficiently broad so as to include the insurable liability assumed by the CONTRACTOR in the indemnity and save harmless provisions [above] of the Indemnification Section of this Contract between DISTRICT and CONTRACTOR. The automobile liability insurance shall cover all owned, non-owned and hired motor vehicles that are operated on behalf of CONTRACTOR pursuant to CONTRACTOR's activities hereunder. CONTRACTOR shall require all subcontractors to be included under its policies or furnish separate certificates and endorsements to meet the standards of these provisions by each subcontractor. DISTRICT and the COUNTY, their officers, agents, and employees shall be Additional Insured status on any policy. A cross liability clause, or equivalent wording, stating that coverage will

apply separately to each named or additional insured as if separate policies had been issued to each shall be included in the policies. A copy of the endorsement evidencing that the policy has been changed to reflect the Additional Insured status must be attached to the certificate of insurance. The limit of liability of said policy or policies for general and automobile liability insurance shall not be less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Any deductible or Self-Insured Retention {SIR} over \$10,000 requires approval by DISTRICT.

Said policy or policies shall include severability of interest or cross liability clause or equivalent wording. Said policy or policies shall contain a provision of the following form:

"Such insurance as is afforded by this policy shall be primary and if the COUNTY has other valid and collectible insurance, that other insurance shall be excess and non-contributory."

If the policy providing liability coverage is on a 'claims-made' form, the CONTRACTOR is required to maintain such coverage for a minimum of three years following completion of the performance or attempted performance of the provisions of this Contract. Said policy or policies shall provide that DISTRICT shall be given thirty (30) days written notice prior to cancellation or expiration of the policy or reduction in coverage.

CONTRACTOR shall submit to the office of the designated DISTRICT representative certificate(s) of insurance documenting the required insurance as specified above prior to this Contract becoming effective. DISTRICT shall maintain current certificate(s) of insurance at all times in the office of the designated DISTRICT representative as a condition precedent to any payment under this Contract. Approval of insurance by DISTRICT or acceptance of the certificate of insurance by DISTRICT shall not relieve or decrease the extent to which the CONTRACTOR may be held responsible for payment of damages resulting from CONTRACTOR's services or operations pursuant to the contract, nor shall it be deemed a waiver of DISTRICT rights to insurance coverage hereunder.

In the event the CONTRACTOR is not able to comply with DISTRICT's insurance requirements, DISTRICT may, at its sole discretion and at the CONTRACTOR's expense, provide compliant coverage.

The above insurance requirements are subject to periodic review by DISTRICT and the COUNTY. The COUNTY's Risk Manager is authorized to change the above insurance requirements, with the concurrence of County Counsel, to include additional types of insurance coverage or higher coverage limits, provided that such change is reasonable based on changed risk of loss or in light of past claims against DISTRICT and the COUNTY or inflation. This option may be exercised during any amendment of this Contract that results in an increase in the nature of DISTRICT's or the COUNTY's risk and such change of provisions will be in effect for the term of the amended Contract. Such change pertaining to types of insurance coverage or higher coverage limits must be made by written amendment to this Contract. CONTRACTOR agrees to execute any such amendment within thirty (30) days of acceptance of the amendment or modification.

ATTACHMENT F
COUNTY OF SANTA BARBARA UNLAWFUL DISCRIMINATION ORDINANCE

Sec. 2-95. Prohibition of unlawful discrimination in employment practices. The County of Santa Barbara reserves the right to terminate forthwith each and every written contract and Contract (except purchase orders) for goods and/or services entered into by the County of Santa Barbara or by its joint powers, agencies or agents with the consent of the other parties (hereinafter called "CONTRACTOR") including but not limited to concessions, franchises, construction Contracts, leases, whether now in effect or hereinafter made if the county finds that the CONTRACTOR is discriminating or has discriminated against any employee or applicant for employment in violation of any applicable state or federal laws, rules or regulations which may now or hereafter specifically prohibit such discrimination on such grounds as race, religion, sex, color, national origin, physical handicap when otherwise qualified, Vietnam era veteran/disabled, or age.

Such finding may only be made after CONTRACTOR has had a full and fair hearing on notice of thirty (30) days before an impartial hearing officer at which hearing CONTRACTOR may introduce evidence, produce witnesses and have the opportunity to cross-examine witnesses produced by the county. Further, any finding of discrimination must be fully supported by the facts developed at such hearing and set forth in a written opinion; and in addition, CONTRACTOR may move in the appropriate court of law for damages and/or to compel specific performance of a CONTRACTOR or Contract if any the above procedures are not afforded to the CONTRACTOR. If CONTRACTOR is not found to have engaged in unlawful discriminatory practices, county shall pay all costs and expense of such hearing, including reasonable attorneys' fees to CONTRACTOR in accordance with current Santa Barbara County Superior Court schedule of attorneys' fees for civil trials. If CONTRACTOR is found to have engaged in such unlawful discriminatory employment practices, CONTRACTOR shall pay all such costs, expenses and attorneys' fees.

Whether or not a contract or Contract is still in existence at the time of final determination of such unlawful discrimination, the CONTRACTOR shall forthwith reimburse county for all damages directly stemming from such discrimination; however, those damages shall not exceed and are not reimbursable in an amount which exceeds amounts paid CONTRACTOR under the terms of the contract or Contract.

Nothing in this section 2-95 shall directly or by interpretation give a private cause of action to any third party (not a signatory to the contract or Contract) including employees past or present, or applicants for employment to CONTRACTOR, it being the sole purpose of this clause to administratively assure compliance with the nondiscrimination clauses contained herein.

Employment practices shall include, but are not limited to employment, promotion, demotion, transfer, recruitment and advertising for recruitment, layoff or other termination, rate of pay, employee benefits and all other forms of compensation selection for training and apprenticeship and probationary periods.

CONTRACTOR shall permit access at all reasonable time and places to all of its records of employment, advertising, application forms, tests and all other pertinent employment data and records, to the County of Santa Barbara, its officers, employees and agents for the purpose of investigation to ascertain if any unlawful discrimination as described herein has occurred or is being practiced, provided that such records are relevant to a complaint of an unlawful discriminatory practice which has been forwarded to CONTRACTOR reasonably prior to the time CONTRACTOR is asked to make such records available. In addition, all such records shall be deemed "Confidential" by the officers, employees and agent of the county. No records or copies of such records may be removed from the premises of CONTRACTOR and no disclosure, oral or written of such record, may be made to third parties except as provided within the Contract.

Provided, however, that in the event of a hearing to determine whether or not CONTRACTOR is engaging in unlawful discrimination in employment practices as defined herein, the board of supervisors of Santa Barbara County may issue subpoenas to require that certified copies of such records be made available to the hearing.

Failure to fully comply with any of the foregoing provisions relating to unlawful discrimination in employment practices shall be deemed to be a material breach of any contract or Contract with the County of Santa Barbara. All persons contracting with or who have contracts for goods or services with the county shall be notified that this chapter applies to their contract or Contract with the County of Santa Barbara. (Ord. No. 2946, SS 1; Ord. No. 2993, SS 1; Ord. No. 3018, SS 1)

Sec. 2-95.5. Exceptions. Notwithstanding any other provisions in this article, any party contracting with the County of Santa Barbara having an affirmative action program which has been approved within thirty-six (36) months from the date of the contract by an agency of the federal government shall be deemed to be in compliance with the provisions of this article upon furnishing documentary evidence of such approval satisfactory to the county affirmative action officer. Loss of such approval shall be immediately reported by such party to the county affirmative action officer.

Sec. 2-96. Purchase orders. Purchase orders shall contain the following clause as grounds for termination of such purchase order.

"If complaint is made that seller is engaging in discriminatory employment practices made unlawful by applicable state and federal laws, rules or regulations, and the State Fair Employment Practice Commission or the Federal Equal Employment Opportunities Commission determines that such unlawful discrimination exists, then the County of Santa Barbara may forthwith terminate this order." (Ord. No. 2946, § 1)

Sec. 2-97. Affirmative action officer. At the discretion of the county affirmative action officer, he or she shall promptly and thoroughly investigate, or cause to be investigated reports and complaints from whatever source, that any party contracting with the County of Santa Barbara is engaging, or during the term of a contract or Contract with the County of Santa Barbara has engaged, in any unlawful discriminatory employment practices as described in Section 2-95 of this Code. If the investigation discloses reason to believe such unlawful discrimination does exist or has existed and the conditions giving rise thereto have not been changed so as to prevent further such unlawful discrimination, and the said party shall not forthwith terminate such unlawful discrimination, take all appropriate steps to prevent a recurrence of such or other unlawful practices, and compensate the person or persons unlawfully discriminated against for any and all loss incurred by reason of such unlawful discrimination, all to the satisfaction of the affirmative action officer, then the affirmative action officer shall cause the matter to be presented for action to the State Fair Employment Practices Commission or the Federal Equal Employment Opportunities Commission, or both, and to any other concerned state or federal agencies or officers.

If and when it has been finally determined by the affirmative action officer, county counsel, or state or federal regulatory agencies that such unlawful discriminatory employment practice has in fact so occurred or are being carried on, then the affirmative action officer shall forthwith present the entire matter to the board of supervisors of the county, together with all damages, costs and expense related thereto and incurred by county, for appropriate action by the board of supervisors in accord with the intent and purposes of this article and of the affirmative action program of the County of Santa Barbara (Ord. No. 2946, § 1)
