OLD CAR BUY BACK PROGRAM UPDATE

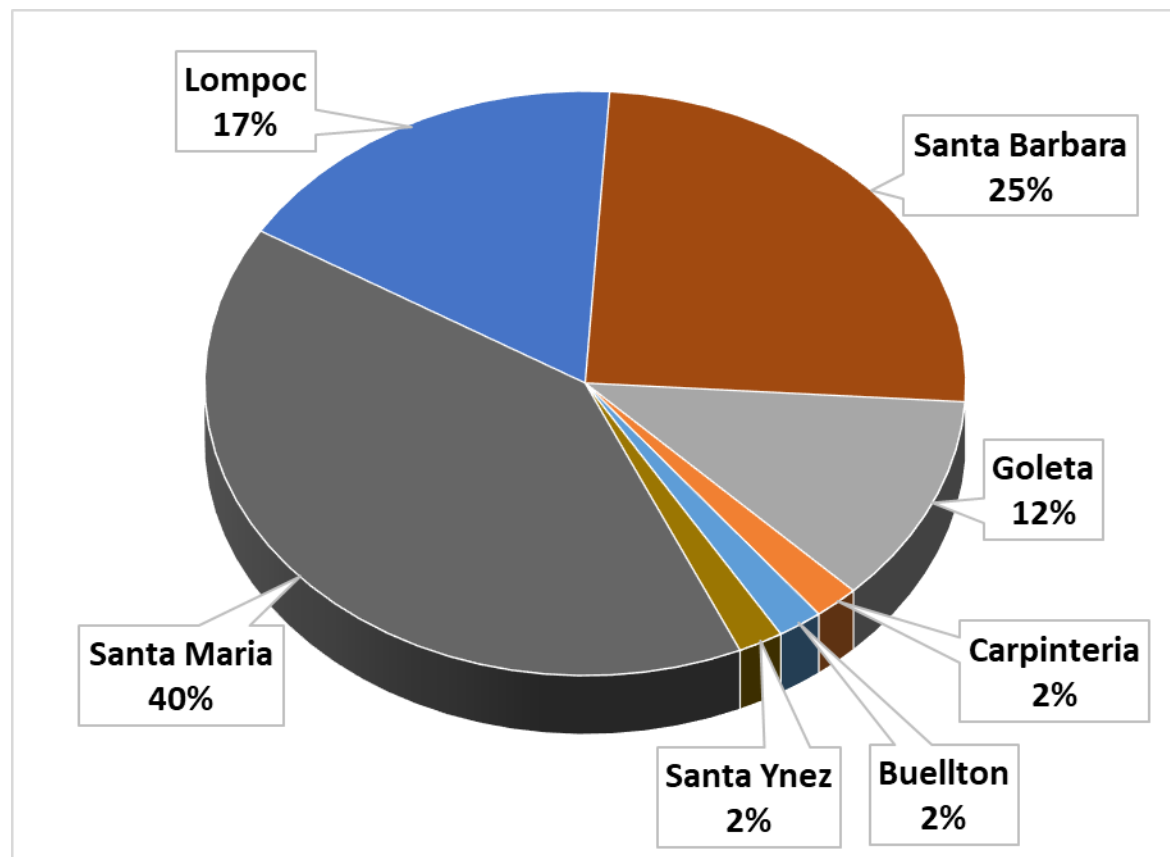

The District's Old Car Buy Back Program currently pays Santa Barbara County vehicle owners \$1,000 to voluntarily retire their fully legal and operational 1994 or older, light or medium duty car, truck, van, or SUV.

The three regional dismantlers earned \$250 for each vehicle that they helped retire. Currently, the total program cost is \$1,250 to retire a vehicle.

The program accelerates the improvement of air quality by removing high polluting vehicles from the road, quicker than normal vehicle attrition. Funding for the program is derived from DMV registration surcharge revenue and Carl Moyer Program funds.

\$ EXPENDED: [52 VEHICLES @ \$1,250/VEHICLE]	\$65,000
