

## MEMORANDUM

**TO:** Community Advisory Council Members

**FROM:** Brian Shafritz

**DATE:** April 26, 2011

**SUBJECT:** Proposed updates to the APCD Environmental Review Guidelines

---

Receive and file a staff presentation on proposed updates to the APCD Environmental Review Guidelines for implementation of the California Environmental Quality Act (CEQA). The focus will be on the development of significance thresholds for greenhouse gasses (GHG). This presentation is to inform the CAC of the status and to receive feedback from CAC members.
