Hi All,

I would like to confirm that the district is planning to send a response to us for this ATC application. I believe tomorrow marks 30 days from the full application submission.

Thank you,

Lindsay Cokeley

Thank you Kaitlin.

Agnieszka - can you please confirm that you received the flash drive this morning with the full digital application? It was given to Alyssa, the front desk receptionist at the Santa Barbara office just before 10 am this morning.

Thank you,

Lindsay Cokeley

Hi Agnieszka,

Thank you for taking my call this morning. As discussed, we have never been requested to submit confidential information in hard copy. ATC 15634 was sent with confidential information, all digitally (confidential and redacted versions) via email to Kevin Brown. Regardless of that, we will submit the new application materials in hard copy no later than tomorrow.

Kaitlyn - from a Compliance standpoint, can you please confirm that the application materials were received digitally by the Compliance deadline of April 27th?

Thank you,

Lindsay Cokeley

Good Morning Lindsay,

We received your emails. However, since the application contains confidential information you will need to submit it hardcopy via mail in a format following our Confidential Information policy (linked below). Please do not email confidential application information. The District will delete all emails containing confidential information.

Good Morning,

I would like to confirm receipt of the attached application materials last week. In addition, we forgot to attach the equipment specifications for the passive and vacuum recovery systems. Please see attached version 2 of BACT form 02 with the added recovery system specifications attachment.

Please confirm receipt.

Thank you,

Lindsay Cokeley
