Hi Agnieszka,

Hope you had a nice long weekend. I'm hoping you can give us some more guidance on the equipment list this week based on the walkthrough last week. We have all of our equipment in a program called MaintainX, so if there is additional guidance on what should be on the list vs. what doesn't need to be on the list, we can export a new spreadsheet using that information.

We are waiting for the District to provide additional guidance before we can provide a new equipment list.

Thank you,

**Lindsay Cokeley**
