Hi Agnieszka,

Yes. 2pm works. Is there any chance you can give me a call today so we can go over high level what some of the requests are so I can make sure we have the right people on the call to help answer any questions you have?

Hi David,

Thanks for the update today on the new ATC progress. I am available all of Friday, and most of Thursday. Please let me know of a good time we can discuss the outstanding items either by virtual meeting or a phone call. My cell phone is below as well so please feel free to give me a call or text when it is convenient for you and we can quickly get everyone together if necessary to go over any outstanding items.

Thank you,
