Re: Draft Permit to Operate 15384

Dear Mr. Hartig:

We have sent you this letter as the authorized agent acting on behalf of the owner/operator. Enclosed is a draft Permit to Operate (PTO) No. Hartig for a contaminated soil excavation project at 3030 Caselli Way in Santa Maria. Please carefully review the enclosed documents to ensure that they accurately describe your facility and that the conditions are acceptable to you.

If you have any comments on this draft permit, submit them in writing to the Air Pollution Control District (District) within 21 days from the date of this letter. We will consider your comments before we issue your final permit. If we receive no comments within this period, we will issue a final permit with the enclosed conditions. This permit is subject to a 30-day public notice.

Please include the facility identification (FID) and permit numbers as shown at the top of this letter on all correspondence regarding this permit. If you have any questions, please contact me at (805) 961-8877.

Sincerely,

Charlotte Mountain, Air Quality Engineer II
