Bulletin No.: B0107-06

To: California Healy Distributors & Service Contractors

From: Jay Walsh

Subject: **FFS/Healy California Support**

As Franklin Fueling Systems moves forward with our integration of Healy Systems, we wanted to make you aware of our plans to significantly strengthen our California support network for Healy and all FFS products.

#### Sales

Curt Trondson, Sr VP, Sales, is responsible for sales of all Franklin Fueling Systems products including Healy. He is currently in the process of adding four direct sales people to support our West Coast customers, and he will have more information for you about our progress in the near future.

#### Technical Support

Steve Langlie, Technical Service Supervisor, is responsible for technical support of all Franklin Fueling Systems products including Healy. For Technical Support and Training needs for any FFS product, please contact our Technical Support Hotline at **800-984-6266** weekdays from 5 AM to 5 PM PST.

As part of our commitment to provide on-the-ground Technical Support for the upcoming EVR upgrades, I would also like to take this opportunity to inform you of an upcoming Franklin Fueling Systems EVR Phase I (Phil-Tite) and Phase II (Healy) training seminar the week of February 26, 2007 at multiple times and locations across the state. The specific dates and locations are now being finalized, and confirmed dates will be available soon on our web site ([www.franklinfueling.com](http://www.franklinfueling.com)) or by contacting Technical Support at the toll free number above. Alternatively, you may email [techserv@franklinfueling.com](mailto:techserv@franklinfueling.com).

We thank you for your support of FFS products, and look forward to providing you unparalleled support with a greatly enhanced local presence.

Sincerely,

Jay Walsh  
VP, Marketing
